

Report of RM Met and Southern Interclub no 3 on 10th October 2009.

This event was scheduled to be hosted by Reading Sailing Club Model Yacht Section on their water at Sonning Eye. Due to unforeseen circumstances a re-venue was necessary and the Guildford Model Boat Club allowed their Abbey Meads water to be used instead, Reading Club expressed their gratitude at the skippers briefing.

The seven skippers, three from Guildford, two from Reading and two from Woodley gathered on a bright autumn day with a light westerly breeze. Twelve races were run using a triangle and sausage course, Hugh McAdoo of the Guildford Club mastered the variable shifting wind and won the day. Chris Brill of Woodley Club was second using a borrowed boat and Mark Mortimore of Guildford came third.

This was a friendly good natured meeting which concluded at approximately 2.30pm.
